

The Fire Door Remedial Works *Specialists*

FIRAS certified contractors

From 23 January 2023, The Fire Safety (England) Regulations 2022 mean responsible persons of multi-occupied residential buildings over 11 metres in height must organise fire door inspections and ensure fire doors are fit for purpose.

**YOU'VE ORGANISED THE INSPECTIONS
— WHAT ABOUT THE REMEDIAL WORKS?**

MASTERFIX — SUPPORTING YOUR FIRE DOOR COMPLIANCE

✓ Dedicated and experienced passive fire team, FIRAS accredited

✓ Directly employed labour, no agency or temporary labour used

✓ Simple pricing / schedule of rates

✓ QR codes applied to doors for future maintenance requirements

✓ Collation of door asset register where required

✓ A full range of support services and trades

✓ Opportunity to include cost of remedial works into planned maintenance contract under the principle of “buy now pay later”

✓ Able to serve the private residential market (leasehold and tenants) including taking secure payments

If you have had your fire doors inspected and need a competitive quotation for remedial works to bring the doors up to standard, please get in touch.

“We can only express the most heartfelt thanks to the Masterfix team for seeing us through.”

**DON'T RISK INSTRUCTING REMEDIAL WORKS
THROUGH UNACCREDITED CONTRACTORS!**
